[www.rjspagnols.com](http://www.rjspagnols.com)

Vino del Vida™ wine kits combine the benefits of pure juice with the convenience and value of a 4-week wine kit.

Every one of the White and Red varieties of Vino del Vida wine kits contain pure grape juice (which contributes to the richness of character and intensity of flavour) and the finest grape juice concentrate. Many Vino del Vida styles also include oak chips to further increase the complexity of the finished wine.

You start with 7 litres\* of premium ingredients, selected from around the world, to produce 23 litres\* of wine. Once bottled, you can enjoy and share your clean, well-balanced Vino del Vida wine right away.

\*Vino del Vida Ice Wine Style contains 4.7 litres and makes 11.5 litres
